STRENGTHS & WEAKNESSES

Multitasking, Taking Charge
in High Pressure Situations,
Problem-Solving, Efficient,
Loyal, and Meticulous

Pride, Stubbornness, and
Rationalization of
Constructive Criticism

VOLUNTEERING

Canyon Hills Community
Church Preschool Volunteer
Teacher - About once a month, I
help watch over and teach toddlers
in my church while the parents enjoy
the service.

Marching for Babies Event
Volunteer with March of
Dimes - Last year, I helped with
childcare and organization of the
March for Babies event held at the
Woodland Park Zoo to aid women
with complicated pregnancies.

WORK EXPERIENCE

YARD CARETAKER • SUMMER 2015 – SUMMER 2018

Every summer between the ages of 13 and 16, I helped my neighbor take care of his two acres of land. Every weekend, I did various labor including weeding and mowing the lawn. This helped me learn how to get through a hard day's work at a young age.

MANAGER • MCDONALD'S • JANUARY 2019 - CURRENT

At the age of 16, I began working as many hours as I could at McDonald's. A few months after being hired, I was promoted to crew trainer. In June of 2021, I was promoted to Manager where I am in-charge of accounting for and ordering all food and supplies. In addition, I am trained in troubleshooting the store's hardware.

EDUCATION

HS DIPLOMA • JUNE 2021 • SKY VALLEY EDUCATION CENTER

UNDERGRADUATE • SEP 2019 – JUNE 2021 • CASCADIA CC

During my Junior and Senior years of high school, I took most of my classes at Cascadia Community College as a Running Start student. Consistently on the Dean's List, my cumulative GPA was a 3.83, and I transferred the 60 credits that I completed over to UW Bothell.

RELEVANT SKILLS

- Proficiency programming in Java, C++, Python, JavaScript, HTML, and CSS
- Significant experience constructing and deconstructing computer hardware

UNDERGRADUATE • SEP 2021 – CURRENT • UW BOTHELL

After graduating high school, I transferred to UW Bothell with the goal of majoring in Computer Science and Software Engineering. Since then, I have learned all about programming, both inside and outside of the classroom. My cumulative GPA is a 3.61.

C++ CERTIFICATE • JANUARY 2023 • CODECADEMY

With the goal of getting ahead, I decided to take the “Learn C++” course on Codecademy. I chose this language because of its relevance in developing software, games, and databases.
